

## **BUA'S BIRDIES FOR CHARITY FUNDRAISER**

Looking for a new and entertaining way to support the mission of Baptist University of the Americas? How about participating in the Birdies for Charity fundraiser offered through the Valero Texas Open? Our goal is to raise \$150,000 for much needed technology upgrades and a computer lab.

### **How BUA will benefit...**

We will receive **100%** of every penny we raise. The Birdies for Charity program will even match funds by **7%** to make your donation go even further! The funds raised will help us replace outdated computers and hardware on campus, providing an enhanced learning environment for our students and operational support.

### **How Birdies for Charity works...**

You can make a minimum pledge of one penny or more per birdie. The value of your pledge is based on the number of birdies made during the Valero Texas Open. You can also make a flat contribution; with \$20 being the suggested minimum. Your company can also contribute using the same method. Any individual or corporation that donates \$1,000+ or pledges \$.75+ per birdie becomes a member of a special **Birdies Club** and gets four general admission tickets to the tournament and recognized on a sponsor sign displayed in the Gatorade Fan Fest during tournament week.

### **“Guess the Birdies” and a Stay-and-Play Package could be yours...**

For added excitement, guess how many birdies will be made during the Valero Texas Open. If your guess is correct, you could win a Stay-and Play Package to JW Marriott San Antonio Hill Country and TPC San Antonio.

Online Birdies for Charities applications can be found [here](#). You can also download and complete the pledge form and mail to Baptist University of the Americas, 7838 Barlite Blvd., San Antonio, TX 78224. Checks should be made payable to Birdies for Charity.
