

Next-Generation ACCUPLACER

Baptist University of the Americas
www.bua.edu

WHAT is the Accuplacer?

THE Next-Generation ACCUPLACER is a placement test required for all new **first time freshmen** at Baptist University of the Americas to determine readiness for college-level reading, writing, and mathematics. Next-Generation ACCUPLACER assessments are delivered in multiple-choice format with the exception of the WritePlacer®, a written essay assessment. All tests are untimed to allow you to focus and comfortably demonstrate your skills while answering questions. Next-Generation ACCUPLACER assessments are computer-adaptive. Questions are selected based on your skill level; in other words, your response to one question determines the difficulty level of the following question. Areas you are tested on: WritePlacer (Written Essay), Writing Skills (25 questions), Reading Skills (25 questions), Quantitative Reasoning (20 questions) and Arithmetic (20 questions). **Visit the Accuplacer website for more information and sample questions along with a guide.**
