INTRODUCTION TO THE UNIVERSITY

Affiliation and Accreditation

Baptist University of the Américas (the University) is affiliated with the Baptist General Convention of Texas. The University is accredited by the Commission on Accreditation of the Association for Biblical Higher Education (5850 T. G. Lee Blvd., Suite 130, Orlando, FL 32822; Tel (407) 207-0808; www.abhe.org) to award degrees at the associate and baccalaureate level. The University is also “authorized to grant associate, bachelor degrees, grant credit toward degrees” by the Texas Higher Education Coordinating Board (P.O. Box 12788, Austin, TX 78711; Tel 512-427-6200; www.thecb.state.tx.us).

Catalog

The Catalog describes academic programs, activities, and policy, and is provided for informational purposes. It does not constitute a contract between the University and student. BUA reserves the right to amend or terminate any of its policies, programs, requirements, course offerings, class schedules, instructor assignments, fees, other aspect of its programs at any time without prior notice, and may determine when and how all changes become effective.

The University’s programs are believed to be effective and valuable; however, their ultimate value, in terms of achievement, employment, professional licensing, or other measure, is dependent on market conditions and other factors beyond the control of the University. The University makes no representation or contract that following a particular course or curriculum will result in specific achievement, employment or qualification for employment, admission to degree programs, or licensing for particular professions or occupations.

Non-discrimination Notice

The University does not illegally discriminate in its programs or activities on the basis of race, color, national origin, sex, religion, disability, age, or status as a veteran or disabled veteran. The Director of Administration and Finance- CFO, Kevin Rodriguez, may be reached at 7838 Barlite Blvd., San Antonio, TX 78224-1336; Tel (210) 924-4338, has been designated to handle inquiries regarding the University’s non-discrimination policies. BUA is governed by a Board of Trustees comprised entirely of men and women who are members of Baptist churches, and the University operates in accordance with Baptist ideals.

BUA is also affiliated with the Baptist General Convention of Texas, a cooperative association of autonomous Texas Baptist churches, which elects a majority of the members of the Board of Trustees. As a faith-based educational institution, the University exercises its statutory and constitutional rights to discriminate on the basis of religion in the fulfillment of its purposes.

Privacy and Disclosure of Student Records

The University complies with the Family Educational Rights and Privacy Act of 1974, which protects the privacy of educational records and provides guidelines for the correction of inaccurate information. See "Student Records" in this Catalog and the Registrar’s Office for further information.

STATEMENTS OF MISSION AND PURPOSE

The mission of Baptist University of the Américas, as an institution of higher education, is the formation, from the Hispanic context, of cross-cultural Christian leaders.

The University seeks to fulfill its mission by providing:

1. General Education Studies courses;
2. Lower division academic offerings;
3. Upper division academic offerings;
4. Flexible and responsive continuing education programs;
5. A Learning Resources Center to assist students, faculty and alumni in research, ministry and personal development;
6. A qualified, competent faculty, staff, and administration;
7. Student and educational support services;
8. Systematic, broad-based research, planning and evaluation processes;
9. Adequate physical, financial and relational resources to accomplish the mission of the institution.
INSTITUTIONAL CORE VALUES  
Statements of Philosophy and Commitment

Baptist University of the Américas provides quality educational opportunities to all who wish to avail themselves of its services. The University is aware of the complex challenges facing members of the global community, and pledges the commitment of its Board of Trustees, administration, faculty, and staff to an educational program of excellence and flexibility for a constituency with diverse needs and backgrounds. The University is dedicated to offering students the opportunity for improving their quality of life through the provision of dynamic, responsive, and effective services.

The University seeks to treat each member of the community as a unique individual, and to provide an encouraging, success-oriented environment. University policy and practices are intended to protect the rights and development of each individual. Protection from unlawful discrimination, including conduct that constitutes sexual harassment and freedom to develop as an individual are promoted.

The University is committed to meeting its responsibilities with fairness, accountability, and integrity. The University applies the highest ethical standards in achieving its mission and managing its resources efficiently and effectively to achieve its goals and objectives, as reflected in its code of ethics for Board members, administration, staff, and faculty.

The University is committed to excellence in the formation, from the Hispanic context, of cross-cultural Christian leaders. The University provides spiritual, academic, and extracurricular activities that benefit the student in a holistic manner. University offerings emphasize the development of biblical worldview and the practical application of skills necessary in diverse fields of ministry in the local church and in the society at large. Through a Christian-based educational and mentoring program, the University remains responsive to the needs of individuals, families, the church, and the community.

Baptist University of the Américas operates from the following core values:

1. Christ-Centeredness
   Our mission as a University is deeply rooted in our faith in the person of Jesus Christ. We understand that Christ has called us to make and equip disciples. We identify ourselves as an institution that provides the educational tools for the church to accomplish the great commission.

   Being Christ-centered means that we seek to follow Jesus Christ in the design of our curriculum, in the administrative decisions we make, in the stewardship of our resources, and in the care of every student, staff, and faculty member. We understand that the image of Christ is the ultimate goal of a disciple and we strive to provide an environment in which such a goal is pursued actively and enthusiastically.

   Rooted in Christ we seek to serve with humility and grace all the constituents to which we are accountable: our students, the administrative staff, the faculty, the local church and the denomination, and the community at large.
Focused in Christ we strive to challenge ourselves and our learners to a life of continuous growth, committed to the transformation of the world in our journey toward the realization of the Kingdom of God. We open our minds to the teaching of the Holy Spirit and open our hearts and our efforts to dealing in love and grace towards all whom we serve. We open our spirit to living in faith and by faith, depending on God’s providence and direction to accomplish the mission to which He called us.

2. Baptist Heritage

Our allegiance to Jesus Christ is made concrete through our denominational identity. We are deeply rooted in our Baptist Heritage.

Baptists are a people who profess a living faith. This faith is rooted and grounded in Jesus Christ who is “the same yesterday, today, and forever.” The sole authority for faith and practice among Baptists is Jesus Christ whose will is revealed in the Holy Scriptures.

A living faith must experience a growing understanding of truth and must be continually interpreted and related to the needs of each new generation. Throughout their history, Baptist bodies have issued statements of faith, which comprise a consensus of their beliefs. Such statements have never been regarded as complete, infallible statements of faith, nor as official creeds carrying mandatory authority.

Baptists emphasize the soul’s competency before God, freedom of religion, and the priesthood of the believer. However, this emphasis should not be interpreted to mean that there is an absence of certain definite doctrines that Baptists believe, cherish, and with which they have been and are now closely identified.

Baptists also affirm the autonomy of the local church and its special role as the concrete representative of the Church Universal, established by Jesus Christ as His body in the world until His return. We understand that education is part of the mission of the church together with missions and benevolence. We affirm the principle of collaboration among local churches as an efficient and effective means for local congregations to accomplish their mission.

We affirm the separation of church and state as essential for any society. “The state owes to every church protection and full freedom in the pursuit of its spiritual ends…Civil government being ordained of God; it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work…a free church in a free state is the Christian ideal.” (Baptist Faith and Message, 1963).

As an institution affiliated with the Baptist General Convention of Texas, we affirm the statements of faith presented by the Baptist Faith and Message declaration adopted by the Southern Baptist Convention on May 9, 1963.
3. **Cross-Cultural Competence**
We value cultural diversity as a gift from the Lord. We celebrate the multiple ethnicities that enrich our environment and our lives. We emphasize the need to understand and accept a diverse world. We affirm the need to incarnate culturally as an intrinsic part of our mission.

4. **Holistic Commitment to Teaching and Learning**
As a University, we are committed to provide an environment that facilitates the comprehensive development of our students. We are committed to challenging our faculty and students to a life of continuous learning, creativity, freedom to experiment, and a non-conformist attitude towards the world.

The following instructional principles were developed by the University faculty and staff, reaffirmed in subsequent meetings of the faculty and administration.

**Head**—Students will receive the best education and professional development that resources can provide. Students will have a basic knowledge of biblical and theological background and content with a view to apply their knowledge in their profession. Students will explore the knowledge base of disciplines and professional fields appropriate to their preparation as human beings in an ever-changing world.

**Heart**—Ministry is the activity of Christians in the world through their professions and vocations. Students will develop affective attributes desirable for their work as ministers. These attributes include a biblical worldview and philosophy of living, a compassionate and caring personality, and an internal value system consistent with Christian living in the twenty-first century.

**Hand**—Students will be able to apply their learning in practical ministry. Students will be able to apply their knowledge and skills in practical ways that effect what they do in present and future ministry. Students will minister through vocations that serve the local church and the communities where students live and work.

**Habitat**—Students will develop life-long applications of their basic knowledge of the Bible, which is mediated through a Christian value system, and applied in ministry. Learning will become a self-perpetuating cycle that is fed from continuous learning and application. Students will learn how prior learning can be applied in new situations through a series of living exchange relationships.

5. **Integrity, Responsibility, and Respect**
We value integrity as the trait that presents us pure in our purposes, united in our mission, and clear in our actions. Integrity is shown in our unequivocal commitment to “love God with all our mind, with all our might, with all our soul, and with all our strength, and to love our neighbor as ourselves.”

We value responsibility as the trait that allows us to dedicate our efforts and resources to our mission and to accept no excuse for conduct that does not conform to the highest standard. Responsibility shows our integrity and commitment to the mission we have received as a University.
We value respect as the trait that leads us to hold in the highest esteem individuals in their cultures and faiths, and allows us to interact with each other with humility and acceptance.

6. **Hospitality**

   We value openness and welcoming to others as an essential trait of a Christian. Hospitality means the ability to see in every person the image of God. Through hospitality we open our hearts to those who come to us, making ourselves available to listen, to understand, and to include. We open our doors and make our University a home where all are embraced and housed as members of a family. We open our classrooms to accept those to whom the doors to education have been continually shut by prejudice and poverty.

7. **Focus on Community**

   Finally, we value community. The community formed by all who are in the immediate reach of the University—students, faculty, staff, administration, and trustees—is our responsibility. We aim to promote a peaceful and productive environment in which we communicate effectively and demonstrate unity.

   We also focus on the extended community that transcends our institutional walls. We accept the responsibility for the world around us and commit ourselves to changing that world through education and service.
HISTORY OF THE UNIVERSITY

The University was established in 1947 by the San Antonio Baptist Association as the Mexican Baptist Training School and later named Mexican Baptist Bible Institute. Under the leadership of Rev. Paul J. Siebenmann, Educational Missionary of the Mexican Baptist Convention, the first classes were conducted in evening sessions during the winter of 1947 at Palm Heights Baptist Church to train Spanish-speaking pastors and Christian workers. Dr. C. G. Carter was elected president in 1949. With support from the San Antonio Baptist Association and in cooperation with the Baptist General Convention of Texas (BGCT), the Institute provided post-secondary educational services in Spanish. In 1962, the BGCT assumed operational responsibility for the Institute through its state missions' department.

Dr. H. B. Ramsour, a missionary of the Foreign Mission Board (now International Mission Board) of the Southern Baptist Convention, was elected president in 1960. In 1963, under Dr. Ramsour’s leadership, the Institute acquired a 12-acre site in south San Antonio through a gift from the Woman’s Missionary Union of Texas. Dr. Ramsour oversaw the construction of seven buildings on campus made possible through gifts from San Antonio Baptist churches, Mary Hill Davis offerings, and Mr. and Mrs. W. W. Rollins.

Dr. Ramsour was succeeded by Dr. Daniel Rivera as president of the Institute in 1976. Under Dr. Rivera’s leadership, the endowment grew to $1 million and the eighth building on campus, an apartment project, was constructed. Funding was provided by Mr. W. W. Rollins.

In 1981, messengers to the 96th Annual Session of the BGCT approved the merger of the Mexican Baptist Bible Institute with Southwestern Baptist Theological Seminary. Through merger, the institution maintained its identity, fulfilled its unique purpose as the Hispanic Baptist Theological Seminary, and became a vital force in the training of Hispanic leadership for ministry. From 1982 to 1988, the Seminary offered accredited programs in Divinity, Religious Education, and Church Music through its relationship with Southwestern Baptist Theological Seminary.

Affiliation was reestablished with the BGCT and its State Missions Commission in 1989. Rev. Leobardo Estrada became interim president, serving until October 1989. Dr. Josué Grijalva was elected president later that year, serving until retirement in 1993. Dr. Omar Pachecano became the fifth president in 1993, serving until January 1999. Under Dr. Pachecano’s leadership, the endowment grew to $2 million and application for accreditation with the Association for Biblical Higher Education was begun. Dr. Charles Lee Williamson then served as interim president through the summer of 1999.

Dr. Albert L. Reyes was elected president in July 1999, and the name of the Seminary was changed to Hispanic Baptist Theological School at the request of the Texas Higher Education Coordinating Board.

In 2003, the Texas Higher Education Coordinating Board granted a Certificate of Authority to award a Bachelor’s Degree in Biblical/Theological Studies. Later that year, the Commission on Accreditation of the Accrediting Association of Bible Colleges, now the Association for Biblical Higher Education, approved the School for Initial Accreditation and accepted it as an Accredited Member.
The name of the institution was changed to Baptist University of the Américas in 2003 to better connote its accredited status to Latin Americans and to reflect more clearly its vision for preparing cross-cultural ministry leaders for a variety of vocations both within the church and in the broader community.

In 2006, the Texas Higher Education Coordinating Board issued a certificate of authority to grant associate degrees, and the University began offering an Associate of Arts in Cross-Cultural Studies.

That same year, the University, in cooperation with the Baptist General Convention of Texas, purchased a 78-acre site in south San Antonio for the development of a new campus. Subsequently, BUA launched a $9 million comprehensive campaign, the largest capital campaign in its history. Piper Village, a 65-unit student housing project, opened on the new Baugh Family Campus in January 2008.

On May 7, 2007, the Board of Trustees elected René Maciel as president who lead Baptist University of the Américas October 2016. During President Maciel’s tenure, the University experienced significant growth in its curricular offerings. With the approval of the Association for Biblical Higher Education, in 2008 we started a Bachelor of Arts in Business Leadership and a Bachelor of Arts in Spanish Language and Literature; in 2012 we started a Bachelor of Arts in Music; and in fall 2014 we started a Bachelor of Arts in Human Behavior. In addition, BUA continued to expand in its ability to reach students at their point of need. In 2015 the ABHE approved that BUA should offer its programs through distance education methodologies, including online and teleconferencing courses and the creation of an extension site in the Dallas-Fort Worth area.

In order better to serve our students and to continue our journey toward excellence, in January 2016, Baptist University of the Américas acquired a new campus, a single building, redesigned as a college campus to promote a sense of community, and, at the same time, foster student learning. The new campus was made possible by the financial contributions of many, including the John and Eula May Baugh Foundation, Beatrice Mesquías, and the Baptist General Convention of Texas. We moved into the Baugh Building, located at 7838 Barlite Blvd., San Antonio, TX 78224, in July 2016 and started the 2016-2017 academic year in a home that will serve our BUA community for years to come.

From October 2016 through August 14, 2017, Dr. Moises Rodriguez served as Acting President while the Board of Trustees searched for a new president. On August 15, 2017, Dr. Abraham Jaquez became the eighth president of Baptist University of the Américas.

The 2020-2021 academic year marks the beginning of the fifth year in our Barlite Campus. We continue moving forward to accomplish our God-given mission of forming cross-cultural Christian leaders from a Hispanic context in order to change the world. With a new president on board we embark on a new journey toward the future we have envisioned and have accepted as God’s calling: Baptist University of the Americas, within the context of its Hispanic heritage, will be the standard for educating all students for Christian ministry and missions to change our world!
ADMISSION TO THE UNIVERSITY

Admissions Policy

Baptist University of the Américas welcomes all inquiries and applications from persons desiring to serve Christ in a multicultural context. The Office of Admissions assists all applicants to achieve their educational goals by providing assistance with the admissions process as well as provide information about financial aid, student life, host campus tours for prospective students and their parents. Online applications are available at www.bua.edu More information can be obtained by e-mailing the Admissions Office at admissions@bua.edu or by calling 210.924.4338, extension 202.

BUA invites applications from students who have graduated or expect to graduate from an accredited secondary school or who have satisfactorily completed the General Education Development examination (GED). Students who were educated at home are also invited to apply and are subject to the same qualifications and requirements.

The University offers degree programs for Christian individuals who consider their vocation as their ministry in the world. By enrolling in a degree program at Baptist University of the Américas students will acquire the knowledge, attitudes, and skills associated with the primary focus of that program. In addition, students will develop a biblical and theological foundation that will prepare them for ministry through their professional activity whether in the local church or in the broader community.

General Admission Requirements

The University does not discriminate based on sex, race, age, handicap, or national origin in its admission policy and practices. The following are required for admission into the undergraduate programs:

- **Application for admission**: Applicants must submit an Application for Admission and a nonrefundable processing fee for the application in the amount of $25.00. (This may be paid by check, money order or online.) Applications for admission are available online at www.bua.edu. Payments may be made online at www.bua.edu.
- **A government issued photo ID**: Applicants must provide a photo ID.
- **Two personal recommendation letters for students entering the Business Leadership, Cross-Cultural Studies, Human Behavior, or Music Degree Program**:
  - Recommendation letters must come from individuals who have had personal contact with the applicant.
- **Pastor’s recommendation letter for students entering into the Biblical/Theological Studies Degree Program**:
- An additional recommendation letter must come from the pastor as well as two personal recommendation letters.

- **Application essay**
  - The applicant must write a brief essay describing his/her personal goals and how Baptist University of the Américas would contribute to the accomplishment of those goals. A written testimony of a calling to church-related ministry may also be included in the essay.

- **Official transcripts**: As appropriate, an applicant must submit an official high school transcript or official transcripts reflecting all work taken at institutions of higher education. For home-schooled students, appropriate documentation that is signed and dated by the person supervising the student’s educational experience may include any one of the following items:
  - Partial transcript indicating courses taken, grades earned to date, and the expected date of graduation (if student has not yet graduated)
  - Final transcript indicating courses taken, grades earned, and the date of graduation (if student has graduated).

Applicants who did not graduate from an accredited high school but received a General Educational Development (GED) certificate must provide documentary proof of GED certification, or official transcripts reflecting all work taken at institutions of higher education. Applicants who attended educational institutions outside of the U.S. must submit official English translations for all non-English transcripts. A foreign credential evaluation is required for all foreign transcripts such as the Foreign Credentials Services of America, 1910 Justin Lane, Austin, Texas 78757-2411, 512.459.8428, info@fcsa.biz or other approved services.

- **Assessment for collegiate study**: The University requires that all students be assessed in their readiness for collegiate study. The University utilizes the Next Generation ACCUPLACER to assess student readiness for college-level coursework and placement in remediation courses to foster success in meeting college-level expectations. The University administers the Next Generation ACCUPLACER on campus for a cost of $32.00 during new student orientation week or other designated testing times if the applicant has not previously taken placements tests. The University also accepts the Texas Success Initiative Assessment (TSI) test, approved by the Texas Higher Education Coordinating Board as a test that can be used by institutions of higher education in Texas for assessing students at entry level for their ability to perform in college. TSI (Texas Success Initiative Assessment) test results are to be submitted prior to enrollment. Next Generation ACCUPLACER and TSI results are only valid and accepted for a period of five (5) years from the date of the test.

- Other assessment tests accepted and reviewed for admission are the ACT (American College Test) and the SAT (Scholastic Assessment Test). Valid for a period of five (5) years from the date of the test. Placement chart based on test scores, listed above, is:

- **FAFSA.** U.S. citizens or permanent residents should complete the Free Application for Federal Student Aid (FAFSA) before they may be considered for admission at the University. Students may contact the Financial Aid Office, at financial.aid@bua.edu for assistance to complete the FAFSA.

### Admission for Degree-Seeking Students

**First-Time Freshmen:** Applicants enrolled at the University for the first time and who have not been enrolled in any other college-level institution are classified as first-time freshmen and may apply for admission as follows:

- Students who completed their secondary education (High School) must submit an official transcript from their school.
- Home-school graduates must submit appropriate documentation that is signed and dated by the person supervising the student’s coursework showing the name of the courses taken, grade and graduation date.
- Students who have completed the General Educational Development (GED) test must submit an official GED certificate.

**Individual Approval:** Applicants who are not high school graduates may be admitted into pre-collegiate and developmental studies by individual approval. Enrollment in collegiate
studies however, is contingent to the student’s completion of the GED certification process within one semester of enrollment.

**Audit Admission:** An audit student is one who visits in a course. Auditors have the privilege of hearing or observing only. No credit is given for an audited course. An audit student may also be regularly enrolled in other courses. All arrangements for auditing classes are to be made in the Registrar's Office. Applicants seeking to audit classes must submit an application for admission and a nonrefundable $25.00 application processing fee. A record of the student's matriculation will be maintained. A nonrefundable audit fee is charged in lieu of tuition. Admission is at the discretion of the Admissions Committee.

**Transfer Students:** Students in good standing at accredited institutions or who have completed credit courses at the college level may apply for admission. Credit will be awarded for prior coursework in accordance with the following:

- General admission requirements are met.

- Official College Transcripts must be mailed in a sealed envelope or may be emailed directly from the institution in official form. Faxed copies and unofficial transcripts will be accepted for advising and registration purposes only.

- Grade point average (GPA) of at least C (2.0 on 4.0-scale). Credit for courses equivalent to those listed in the Catalog may be accepted from accredited institutions. A minimum of 60 semester hours (24 hours in the major) for the Bachelor of Arts Degree and 24 semester hours for the Associate of Arts Degree must be taken in residence (on campus) before an award will be made by the University. In addition, students must fulfill the specific degree requirements for a baccalaureate major as determined by the faculty including 30 hrs. of Bible/Theology for the B.A. and 12 hrs. in Bible/Theology for the A.A.

- The Office of Academic Affairs and the Registrars’ Office will determine the hours and grade points acceptable for transfer credit. Generally undergraduate college credits completed at other U.S. accredited colleges or a university in which a passing grade has been earned is accepted for credit. Developmental and remediation coursework will not be credited toward award requirements. Transfer credit from foreign institutions is accepted by BUA on the basis of this evaluation.

**Distance Learning Admission:** Students interested in enrolling in the BUA undergraduate program also have the option of starting their BUA education through distance learning modalities. Students may register for online and virtual courses as they are being developed and offered. Students who are interested in distance education options must be aware that they can enroll in distance learning courses for a maximum of 49% of the hours required for graduation in any of the undergraduate degrees. Admission requirements for the distance education options are the same as the ones for main campus admission.

**Re-Admission of Former Students:** Former students seeking to re-enroll at the University after an absence of one year or more must submit an updated Application for Admission and official transcripts from all institutions attended since last enrolled at the University. The
$25.00 application fee will be waived. Application of students not in good standing at the last institution attended, or on academic probation or suspension at the University must be approved by the Admissions Committee.

All students applying for re-admission to the University must have no outstanding financial obligation to BUA. Students applying for re-admission to BUA must meet the current admission standards.

**Probationary Admission:** Students placed on disciplinary suspension by other institutions will not be admitted, unless otherwise determined by the Admissions Committee. Students placed on academic suspension may request consideration for admission by the Admissions Committee. Students on academic suspension who are admitted will be placed on academic probation. Any student falsifying information for the purpose of admission to the University is subject to disciplinary action and dismissal.

**Provisional Acceptance:** Provisional acceptance applies to those applicants who have not been reviewed by the Admissions Committee but were notified of their provisional acceptance by the Admissions Office pending receipt of all required admission documents. Upon completion of admission requirements, application will be reviewed by the Admissions Committee, a formal acceptance letter will be sent, and the provisional acceptance will be lifted.

**Degree-Specific Requirements:** The candidates for the different degree programs (Biblical/Theological Studies, Business Leadership, Human Behavior, Music, and Cross-Cultural Studies) should meet all course and other requirements for that degree and for graduation. Each student is responsible for all requirements as stated and careful attention to the program will result in completion of the requirements for graduation in the minimum time.

*Students are encouraged to apply as early as possible to resolve admission matters well in advance of the start of the semester.*

**Other Admission Information**

Students under the age of 22 in accordance with the Texas Education Code, 51.9192, subchapter Z, must submit evidence of being immunized against bacterial meningitis before registering for classes.

**Admission Requirements for International Students**

BUA has much to offer an international student and welcomes international student applications. International students applying to the University must:

1. Apply for admission by completing the international application.
2. Pay a $25.00 nonrefundable application processing fee.
3. Provide a brief application essay describing his/her personal goals and how Baptist University of the Américas would contribute to the accomplishment of these goals.
4. Two recommendation letters from individuals with whom the applicant has personal contact.
5. Official high school transcripts or an equivalent of a high school diploma (secondary education): Original, official, native language transcripts listing all completed courses and grades. All non-English transcripts must be translated and evaluated in English. A high school transcript is required to enter the English Language Program known as ESL - English as a Second Language.

6. Submit all required financial information as set forth by the Office of International Students.

7. Submit proof of sufficient funds for the duration of the student’s attendance at the university. The proof must be provided through the submission of official financial documents and bank statements to the Office of International Students. A deposit of the first full year’s expenses is required. Confirmation of financial resources does not determine acceptance; however, it must be on file before an I-20 can be issued or a transfer of schools can be accomplished. The bank statement must be an original computerized financial record of the account and it must have the signature of the appropriate bank official or the original stamp of the bank.

All required documents and all test scores must be on file no later than the international admission deadlines:

July 15 (for the fall semester)
November 15 (for the spring semester)

Transcripts Evaluation – A Foreign Credentials evaluation is required for all transcripts such as the Foreign Credentials Service of America (FCSA), 1910 Justin Lane, Austin, Texas 78757-2411, 512-459-8428 info@fcsa.biz or other approved evaluation service.

8. International students whose native language is not English must submit scores on the TOEFL (Test of English as a Foreign Language) with a minimum score of 500 on paper-based, 61 on internet-based and 173 on computer-based for full admission into the degree programs. Students with lower scores, may receive provisional admission with scores not lower than 400 on the paper-based; 32 on the Internet-based; and 97 on the computer-based TOEFL. Provisionally admitted students will receive full admission if they maintain a GPA of 2.0 or above during their first year at BUA.

- Applicants from English-only speaking countries or a graduate from a high school in the U.S. or in an English-only speaking country will receive a waiver of the TOEFL.
- TOELF test scores must be received directly from a national testing agency.

**English as a Second Language** – Applicants not meeting the English entrance requirements may be admitted to the University as Second Language Learners and enroll in the English as a Second Language (ESL) program. However, they will not be admitted into college-level coursework until having satisfied the English proficiency requirements.
International students may apply directly to the ESL program. Application requirements for the ESL program include all requirements for international students described above. Students are required to provide official transcripts from the schools previously attended, specifically a high school transcript. ESL students who want to enroll in the degree programs must satisfy all the requirements for degree-seeking students.

The University will not issue the form I-20AB Certificate of Eligibility for Nonimmigrant (F-1) Student – for academic or language studies, until all requirements for full or provisional admission to the University have been satisfied.

**International Transfer Students.** In addition to the requirements previously listed for international students, international transfer students must submit the following:

- **Official transcripts:** Official transcript evaluated in English by a Foreign Credentials organization of the school where the student is presently attending and official transcripts (in English) of all work taken at other institutions of higher education.
- **Copy of the current I-20 AB.**
- **Copy of a valid passport, visa and I-94.**
- **A clearance form from the University will be sent to** the International Student Advisor at the last school attended and must be signed and returned to the University indicating that the student was in good standing, maintained student status while attending the school, and verify the student’s eligibility to transfer.

After admission to the University, International degree-seeking students must maintain a minimum of 12 (twelve) semester hours each fall and spring semesters to remain in good standing. Of the 12 (twelve) semesters hours, the International students must take 9 (nine) semester hours each semester in the classroom. In addition, International students can take 3 (three) semester hours or more in the classroom or online classes.

English as A Second Language (ESL) program students may not count online or distance education courses toward a full course of study.

International students must maintain a valid Passport at all times during their course of study in the U.S. Communication must be maintained between the international student and the International Student Office regarding foreign-travel, employment, curricular practical training, optional practical training, and any other issues pertinent to their status.

**Health Insurance.** Health insurance is strongly recommended but not required by the University.

**Admission of Non-Degree Students**

Students who do not hold a bachelor’s degree and do not wish to pursue one but wish to take credited classes at BUA may apply as a Non-Degree Seeking Student. Applicants must submit a completed application and a $25.00 non-refundable application fee. Students registering for courses with prerequisites must submit an official transcript confirming credit for the required prerequisites. If a non-degree student decides to enroll in a degree program, the student must apply for regular admission and provide the appropriate documentation for review for potential admission as a degree seeking student.
ADMISSION TO COURSEWORK

Placement Testing Policy

Students are required to take the Next-Generation ACCUPLACER test for purposes of course placement. The University administers the Next-Generation ACCUPLACER on campus every semester. Please visit the Testing Center Section on the BUA website for testing times and dates available.

College readiness requirements may be satisfied by either passing The Next-Generation ACCUPLACER Test (includes: reading, writing, and mathematics), or through the completion of developmental requirements. Visit the General Admissions Requirements for placement scores.

Developmental Studies (College Readiness Studies)

A student who has not demonstrated readiness for collegiate study through his/her performance in the approved assessment instruments (Next-Generation ACCUPLACER) may be provisionally accepted into an award program of the University. However, this student will be required to enroll in developmental courses appropriate for the diagnosed area of deficiency. Students enrolled in developmental courses will be considered ready for collegiate study by completing the developmental courses with a passing grade (according to criteria established by the Developmental Studies faculty) or by retaking and obtaining the minimum required scores in the college readiness assessment tests.

A student enrolled in language (reading and writing) developmental courses:

- May repeat any developmental course once.
- May enroll in introductory courses (at the 1000 and 2000 levels) or in applied music courses. However, the student may enroll in a maximum of 12 credit hours per semester, including developmental courses. A student may take a maximum of 18 award credit hours without completing the language (reading and writing) developmental coursework.

A student enrolled in developmental mathematics coursework may repeat that course once, and needs to complete that requirement prior to his or her junior year before being allowed to continue any of the degree programs.

A student who does not fulfill the requirements for passing a developmental course will be required to withdraw from the University. A student who withdraws from the University due to the inability to meet college readiness requirements may fulfill those requirements elsewhere and reapply for admission.
Computer Literacy Requirement

Students enrolled in the undergraduate programs are required to demonstrate computer literacy, especially in the usage of Microsoft Office applications. The University administers a Computer Proficiency Test (CPT) to all entering students. Students who do not demonstrate sufficient proficiency are required to take the non-credit Introduction to Computers course, offered at the developmental level.

Academic Advising

Academic advising is an essential element of the University’s commitment to student success in meeting his/her educational objectives. The faculty provide academic advising services to students prior to the start of each semester.

New Student Orientation

University orientation is required of all first-time BUA students and must be completed prior to the end of the first semester of enrollment. The purpose of orientation is to equip new students with information that will enable them to be successful in college-level work.

Credit by Examination

Students may seek college credit by satisfactorily completing the Advanced Placement (AP) Examination or the College Level Examinations Program (CLEP) of the College Entrance Examination Board for the subject area in which credit is sought. Credits by examination obtained by students transferring to the University will be accepted only if the examinations and resulting scores meet specified requirements.

Students may transfer up to 42 semester hours of credit earned by examination. Grade points are not earned through credit by examination; credits earned by examination will be assigned a grade of “CR” and treated as transfer credits.

Credit may not be earned by examination in any course currently or previously taken for credit, noncredit, or audit; any subject area in which the student has earned credit for a more advanced course; or any course for which the student does not meet the prerequisites by the time of submission of scores. The final decision as to eligibility for credit by examination will be made by the Dean of Academic Affairs.

FLATS Foreign Language Achievement Testing Services are offered by Brigham Young University for students that would need to receive credit for Foreign Languages that are not offered by the CLEP.

Non-Collegiate Experience

Credit is not awarded for non-collegiate experience, military service, or ministry experience.
**FINANCIAL INFORMATION**

The University is committed to providing quality education at affordable cost. Each student benefits from funding provided by the Baptist General Convention of Texas and through donor generosity, which enable the University to charge considerably less than the actual cost of services provided to students.

Tuition and fees are payable in advance at registration. Students will not be officially registered or admitted to class until they have received financial clearance by the Business Office.

Due to continually increasing operating costs, Baptist University of the Américas reserves the right to change tuition, fees, deposits, and room and board rates without notice to prospective students.

**TUITION**

The University charges $240 per credit hour for tuition for the undergraduate program (Associate of Arts and Bachelor of Arts degrees). For the English as a Second Language (ESL) program the University charges a semester tuition of $2,500 and an additional general service fee of $360.

**FEES**

Application and processing fees are non-refundable. Other fees are refundable as provided in the refund schedule.

- Application fee $25
- ACCUPLACER Test fee $32
- Audit fee, per semester hour $100
- Computer lab fee, per semester for course with a laboratory $100
- Graduation fee, with cap and gown $100
- Graduation fee, without cap and gown $75
- Late registration fee $50
- Applied Music Fee for each applied music course (except Choir) $90
- Music Major Fee $50
- Student Services Fee, per credit hour $30
- Parking fee, per semester $30
- Student ID card replacement $10
- Transcript fee $5
- Payment Plan fee $45
- Spectrum U Services fee $30
HOUSING

Campus apartments will be available for full-time students on a first-come first-served basis. The rental rates below are per month. Rent is due on the first business day of the month. Utilities are included in the rental charge for four-bedroom units. Residents in one and two-bedroom units are responsible for their utilities through arrangements with local providers.

DEPOSIT

Due in advance of occupancy. Any refund will be applied to an unpaid student account. The deposit will be forfeited if a student moves out of student housing prior to the end of the semester.

Family Housing Deposit
One-bedroom unit $550
Two-bedroom unit $700

Single Student Housing Deposit
Double occupancy $300
Single occupancy $300

HOUSING COST

Family Housing (cost per month)
One-bedroom unit $550
Two-bedroom unit $700

Single Student Housing (cost per semester)
Double occupancy $1,250
Single occupancy $2,500

HEALTH INSURANCE

Health insurance is recommended for all students.

Typical Costs for One Year

The estimated cost for a semester is affected by the number of hours taken, specific classes in which the student is enrolled, and the type of housing. The following analysis is based upon twelve semester hours per academic year and singles’ (double occupancy) housing.

Add, as necessary: Housing deposit (see fee schedule above).
Campus Housing

Prospective students should not expect housing to be available without written confirmation from the Business Office. The University reserves the right to determine who will occupy student housing. Rooms must be kept clean, and damage to residence facilities is the responsibility of the student. Failure to comply with University policy will result in forfeiture of the room deposit. Room and board refunds are available only to students who officially withdraw from the University through the Registrar’s Office.

Refund Policy and Schedule

A student may receive partial or full credit for tuition by officially withdrawing from coursework through the Registrar’s Office. In cases of course cancellation by the University, full credit will be provided for tuition and fees. Students suspended for academic or disciplinary reasons will not be entitled to a refund of tuition, fees, or housing. Tuition and mandatory fees will be refunded in accordance with the schedule below; however, students withdrawing prior to the first day of class will be assessed a $25 matriculation/processing fee.

Regular Spring/Fall Semesters

- 100% refund if dropped during the first week
- 50% refund during the second week of class
- 20% refund during the third week of class
- No refund after the third week of class

Regular Summer Session

- 100% refund if dropped prior to the first-class day
- 50% refund during the first 2 class days
- 20% refund during the 3rd - 4th class days
- No refund after the 5th class day

Military Withdrawal

A student withdrawing from the University due to being called into active military service may request the following:

- Refund of tuition paid for the semester in which the student withdraws;
- Designation of “withdrawn-military” on the transcript, signifying an incomplete grade, if eligible under applicable guidelines; or
- Posting final grade or credit if, at the instructor’s discretion, the student has satisfactorily completed a substantial amount of course work and demonstrated mastery of the course material.
FINANCIAL AID PROGRAMS

Financial aid to students is administered by the Office of Financial Aid at Baptist University of the Américas. That Office assists students with the process of applying for financial aid; identifies and obtains financial resources needed for the accomplishment of the students’ educational goals; and provides counseling and guidance for financial aid decisions.

The University will determine appropriate student awards and issue award letters identifying the financial aid offered, based on an individual’s application and eligibility. The University reserves the right to review and modify any award in response to: changes in eligibility requirements or a student’s enrollment or financial status; unsatisfactory academic progress; limited governmental funding; or unforeseen events. The Office of Financial Aid assists students in financing educational expenses, but the applicant is responsible for determining, prior to Registration, if personal resources and financial aid awards will be sufficient to meet expenses. Students failing to demonstrate financial responsibility may be denied registration or barred from further attendance during the semester.

Financial aid awards available to students include academic and other scholarships provided under the direct administration of the University. Awards are generally considered annual awards which are divided evenly between the fall and spring semesters.

Award Procedures

The Office of Financial Aid strives to assist students in meeting their financial needs. A financial aid advisor is available to discuss financial issues. Consideration is given to the availability of Federal Title IV funding in the award of University and other forms of financial aid in which need is a factor in determining eligibility.

Financial Aid Refund Policy

The University assesses charges and applies payments to the respective student account. It is University policy to refund a credit balance to the student on a timely basis. A student receiving a refund based wholly or in part on financial aid may be required to repay all or a part of the aid received upon change in enrollment status.

Federal Programs (Title IV Financial Aid)

Students enrolled in a degree program may be eligible for Title IV financial aid. Students should contact the Office of Financial Aid for assistance in applying for federal financial aid. With very specific exceptions, students must be U.S. citizens or permanent residents to qualify for Federal Financial Aid. Regardless of income all eligible students must complete the Free Application for Federal Student Aid (FAFSA).

Federal Pell Grant

The Federal Pell Grant program awards funds to qualified students seeking their first bachelor’s degree. The program is based on need and other factors, with eligibility determined by the U.S. Department of Education (DOE). Application is made by completing the FAFSA.
Federal Supplemental Educational Opportunity Grant (FSEOG)

The FSEOG program awards funds to qualified students seeking their first bachelor’s degree. The University identifies FSEOG recipients, with awards going to students with the greatest need, as determined by the DOE.

Federal Work-Study Program (FWS)

In the FWS program, students with financial need, as determined by the DOE, work on campus or in community service.

Federal Stafford Student Loans

**Subsidized Stafford Loans** provide low interest rates and are available to students who demonstrate financial need based on income and other information provided on the FAFSA. A credit check is not required to receive these loans. The federal government pays the interest on these loans until six months after the student is no longer enrolled in school at least half-time.

**Unsubsidized Stafford Loans** provide low interest rates and are available to all students regardless of financial need. A credit check is not required to receive these loans. The student is responsible for the interest, which may be paid while the student is in school or accrued and then added to the principal balance when the student enters repayment. Loan repayment occurs six months after the student is no longer enrolled in school at least half-time.

Return of Federal Title IV Funds Policy

The financial aid award is canceled if a student withdraws prior to its receipt. If a student withdraws during the first 60% of the enrollment period (calculated on calendar-day basis), a portion of Title IV financial aid awards must be returned in accordance with statute, and may result in the student owing a balance to the University or the federal government.

Order of Return of Title IV Funds

Funds that are returned to the federal government are used to reduce the outstanding balances in individual federal programs. Financial aid returned (by the University and/or the student) must be done in the following order:

1. Unsubsidized Federal Direct Stafford Loan
2. Subsidized Federal Direct Stafford Loan
3. Federal Pell Grant
4. Federal Supplemental Educational Opportunity Grant (FSEOG)
University Programs

The University provides financial aid in the form of academic and need-based scholarships, work-study awards, and other designated awards. Academic scholarships are based on demonstrated academic excellence, and may require specified academic standing. Designated awards are provided for categories of students; e.g., ministerial students. Financial aid is based on demonstrated need and funds availability. Eligible students must be enrolled for at least six semester hours, and maintain a 2.0 cumulative grade point average (GPA). Special effort is made to offer financial aid for the first year of study; however, first-year students receiving aid should be prepared for a decrease in funding in subsequent years.

Federal financial aid is applied before University-based aid. If University-funded aid (awards paid from the University budget rather than specific endowed funds) creates a credit balance in a student account after charges have been applied, such aid will be adjusted to reduce or eliminate the credit balance. A credit balance resulting from University-funded financial aid will not be made available for refund to the student.

Application is made for University financial aid programs by submission of a Financial Aid Application to the Office of Financial Aid. Applications will be evaluated and awards made by the Financial Aid Committee.

Following are examples of University financial aid programs:

- **Presidential Scholarships.** Presidential awards to outstanding incoming students.

- **Merit Scholarships.** Awarded to incoming first-year students with a GPA of 3.50 or higher. Based on availability of funds.

- **Church Matching Scholarship Program.** The University will match designated gifts from Christian churches to students of up to $500 per semester per student. A limited number of church-matching scholarships is available every semester.

- **General Scholarship Program.** The University receives donations from churches and individuals that provide funding for general scholarships. Students may apply for these scholarships at any time during their course of study at the University. Prospective students may apply for these scholarships. Awards are based on need and criteria established by the Financial Aid Committee.

- **Work-study Programs.** Performance-based work-study is awarded to qualified students. Students serve in various capacities at the University, including resident assistants, security team members, and in maintenance, library, and office roles. Earnings are credited to the student’s account for payment of educational expenses, including tuition, fees and room and board.
Other Programs

Rehabilitation Assistance. The Texas Rehabilitation Commission may offer assistance for tuition and fees to handicapped students.

Veterans Assistance. Students eligible for veterans’ benefits may contact the Veterans’ Administration at 1-888-442-4551 or the Office of Financial Aid for more information.

Veterans Benefits
Baptist University of the Américas welcomes veterans and their dependents. In accordance with Title 38 US Code 3679 subsection (e), this University adopts the following additional provisions for any students using U.S. Department of Veterans Affairs (VA) Post 9/11 G.I. Bill (Chapter 33) or Vocational Rehabilitation & Employment (Chapter 31) benefits, while payment to the institution is pending from the VA. This school will not:

- Prevent the student’s enrollment;
- Charge a late penalty fee to the student;
- Require the student to borrow additional funds;
- Deny the student access to classes, libraries, or other institutional facilities due to the delayed disbursement funding from VA.

However, VA students will be required to:

- Submit the VA Certificate of Eligibility (COE) by the first day of class;
- Submit a written request to be certified;
- Provide additional information necessary to properly certify their enrollment.

Financial Assistance from Other Sources. Scholarships, grants, and loans are provided for students by other agencies and organizations. The University is not an agent for the donor, and, where noted, application is made to the source. Financial aid provided by donors is administered by the Office of Financial Aid in accordance with donor specifications.

- **CBF Scholarships.** The Cooperative Baptist Fellowship provides funding for the award of several types of scholarships, including the CBF Leadership Scholar Program, scholarships awarded for student participation in mission projects or congregational internships, and scholarships designated by regional CBF offices. A faculty committee of the University selects students who participate in the CBF Leadership Scholar Program. Students may apply to the CBF Leadership Scholar Program through the Office of Financial Aid.

- **Hurley Scholarships.** The Ed E. and Gladys Hurley Foundation awards scholarships of up to $1,000 per year to eligible students studying to become Protestant ministers, missionaries, or religious workers. Applications for the fall semester are due April 30th.

- **BGCT Ministerial Financial Assistance Program (MFA).** The Baptist General Convention of Texas (BGCT) provides financial assistance to Texas Baptist students who are preparing for church-related ministries and vocations. Scholarship awards are available to first-year Baptist students and to students who, after the first year at the University, are members of churches cooperating with the BGCT. Awards depend on
the classification of the students in their academic career and are subject to change. The awards are as follows:

- For freshman and sophomore students: $50 per credit hour;
- For junior and senior students: $75 per credit hour.

In addition to the MFA program, the BGCT Theological Education Council (TEC) approved the award of a pastoral ministry scholarship to students who are in the junior or senior year of undergraduate work. This scholarship is competitive and selection of applying students is made annually by a committee of the TEC.

- **Mary Hill Davis Ethnic/Minority Scholarship Program.** The Mary Hill Davis Ethnic/Minority Scholarship Program provides grants to help worthy capable young people from ethnic/minority cultures receive a Christian education. The scholarships are funded through the Mary Hill Davis Offering® for Texas Missions sponsored annually by the Woman’s Missionary Union of Texas. The Mary Hill Davis Ethnic/Minority Scholarship Program is designed to strengthen Texas Baptist churches by providing scholarships to Baptist students from ethnic/minority backgrounds planning to attend a Texas Baptist university. All grants are for a maximum award of $6,400.00 over a four-year period. Applications must be submitted no later than April 15th.
THE FEDERAL FINANCIAL AID APPLICATION PROCESS

Students applying for federal financial aid must submit the required applications to the Office of Financial Aid. Applications are available in the Admissions and Financial Aid Offices. Financial aid awards are issued when a student’s financial aid file is complete, including the following:

- Free Application for Federal Student Aid (FAFSA);
- Student Aid Report (SAR), issued by the DOE following submission of the FAFSA.
- Additional documentation in compliance with the verification process.

The priority deadline for filing for financial aid is July 1st for fall enrollment, and November 1st for spring enrollment. Late applications will be accepted, but the University cannot ensure timely processing to make a formal offer of financial aid by the date of registration. The student will be notified of eligibility for financial aid awards upon completion of the financial aid file.

Student Status

For the purpose of establishing eligibility for financial aid, individuals are considered full-time students if enrolled in twelve or more (12+) semester hours, three-quarter time if enrolled for nine to eleven (9-11) hours, and half-time if enrolled in six to eight (6-8) semester hours. Audit hours are not counted when determining student status. The University reserves the right to reduce a student’s financial aid awards upon any change in enrollment.

Renewal

A new FAFSA or Financial Aid Application and supporting documentation must be submitted each academic year for renewal of financial aid. Subsequent awards of federal aid are subject to the same consideration as identified for initial aid, including the same priority deadline.

Satisfactory Academic Progress (SAP)

DOE guidelines require the Financial Aid Office to monitor academic progress of students with a qualitative measure (cumulative GPA) and a quantitative measure (time). The academic year extends from July 1st through June 30th of the following year. At the close of each academic term, the Financial Aid Office determines if students are making satisfactory progress towards a degree and are qualified to receive financial aid in the next academic period.

At BUA, an academic year consists of 24 semester credit hours over 30 weeks of instructional time. Semester Credit-Hour: A semester credit-hour at BUA is 750 minutes of in-class instruction per semester. This typically requires out-of-class assignments twice the amount of in-class instruction. For every credit hour taken in-class, a student should study two hours out-of-class. Most courses at BUA are three-hours a week for 15 weeks of in-class instruction.
Academic Standards

Students must maintain a cumulative grade point average (GPA) minimum requirement as determined at the end of each semester for all credit hours attempted at BUA. Students must maintain a 2.0 cumulative GPA.

A student who does not maintain SAP will receive a “warning” notification at the end of their first semester of not meeting the policy. Under this “warning” status, the student has one semester to rectify his/her academic progress so that financial aid can be continued. A student who does not meet SAP policy after the “warning” semester will be placed on a “probation” status and will no longer be eligible to receive financial aid assistance. Students are placed on financial aid warning when their cumulative GPA falls below 2.0 of BUA courses.

Maximum Time Frames

The number of semester credit hours a student attempts may not exceed 150 percent of the number of semester credit hours required for graduation in his or her program of study as published in the University catalog. For example, if the published number of semester credit hours required for graduation is 120, a student may not attempt more than 180 semester credit hours (120 x 1.5 = 180) and continue to receive financial aid. All periods of enrollment must be considered, even those for which the student did not receive financial aid as well as hours transferred from another school. If the number of attempted hours reaches 150 percent of the hours required for graduation, the student is no longer eligible for financial aid.

Attempted hours include all registered hours per semester whether or not the student earns a grade or receive credit. Attempted hours include developmental courses, withdrawals, in-completes, repetitions, and transfer credits.

For financial aid purposes, a full-time student pursuing a bachelor’s degree has up to six years to complete the degree. Non-full-time students are allowed additional years of financial aid eligibility on a prorated basis. A minimum of one hundred twenty (120) semester hours are required for a bachelor’s degree. In measuring progress quantitatively, students are required to complete successfully the number of degree semester hours by the end of each academic year in accordance with DOE guidelines and University policy. These academic requirements apply to all types of financial aid available through the University.

Enrollment Status

A student must successfully complete a minimum of 67 percent of all attempted coursework. The student’s academic progress will be reviewed at the end of the following semester. If the number of completed hours (include all semester hours for which the student earns a grade) drops below 67 percent of the attempted hours, the student will no longer be eligible for financial aid.

Example: If a student registers for 30 semester credit hours in an academic year, she/he must complete a minimum of 21 semester credit hours (67% x 30 = 20.10) in order to make SAP for the year. Partial credit hours are rounded up to the nearest hour.
Transfer students

Transfer student entering on scholastic probation will be place on “warning” status for their first semester at BUA. Under this “warning” status, the student will have one semester to increase his/her GPA to meet the designated standard. If the student does not meet the satisfactory academic progress policy after the “warning” semester, he/she will be placed on a “probation” status and will no longer be eligible to receive federal aid until the student meets the designated standard.

Students who have been on financial aid probation cannot merely skip a semester to regain eligibility. No financial aid will be disbursed during subsequent semesters for students on financial aid probation. There are 2 ways for a student to regain eligibility:

- The student submits a written appeal (see Appeals Process below) in accordance with the appeals process and the Financial Aid Appeals Committee approves the appeal. The student is then placed on financial aid warning, allowing one additional semester in order to bring the academic requirements up to minimum standards.
- The student attends Baptist University of the Americas during the financial aid probation semester, pays for tuition and fees without financial aid, and does well enough to satisfy all SAP standards.

A student may appeal the decision for withholding financial aid. The appeal must be for hardship including death of a relative, injury or illness of the student or other special circumstances. The explanation must include information about what has changed in the student’s situation. The student must also submit an advisement plan which documents how the student can achieve satisfactory academic progress. If the appeal is denied, a student must bring himself/herself back into good SAP status to receive any aid. If the student’s appeal is approved, he/she may be placed on financial aid warning and receive aid for one semester. If the student is following an advisement plan and is meeting those requirements at the end of the warning term, the student is then considered in good status as long as the plan is being met.

The appeal process includes:

1. Student submits a letter of appeal along with supporting documentation to the Financial Aid Appeals Committee via the Office of Financial Aid.
2. A letter along with supporting documentation is reviewed by the Financial Aid Director.
3. The Director presents letter of appeal, supporting documentation and institutional data to the Chairperson of the Committee.
4. The Committee reviews information and issues a decision to the Director of Financial Aid and/or student.
5. The Financial Aid Director notifies the student of the decision of the Committee.
Financial Aid Reinstatement

A student who has not maintained satisfactory academic progress may reestablish eligibility by improving sufficiently to meet the designated standards. In reestablishing eligibility, coursework taken during an off-semester schedule or at other schools that are accepted by the University will be included in determining progress toward a degree.

Note: The Financial Aid Appeals Committee’s decision is final and cannot be overturned. The Committee reserves the right to request additional information from the student and/or other parties.
STUDENT SERVICES/ENROLLMENT MANAGEMENT

The University offers an array of activities, programs, and services intended to provide the opportunity for intellectual, spiritual, and social growth. The Office of Student Services/Enrollment Management (OSSEM) is responsible for the provision of student services including housing, student activities, health and fitness, student support programs, spiritual development, and the promotion of a healthy Christian environment. Policy governing student conduct is summarized in the Student Handbook, available on the University website.

Career Services

Employment Opportunities: The University maintains a network of alumni, friends, churches, state conventions, associations, and other organizations that recruit students throughout the year. Employment opportunities are posted on the University website.

The Office of Student Services/Enrollment Management assists students in finding full-time and part-time employment opportunities in ministry. Students should provide the OEA with their résumés at the beginning of the final year of study.

In addition, the Office of Student Services/Enrollment Management (OSSEM) assists students in planning to continue their education by entering post-graduate study programs.

Website: The University’s website provides information to assist students and alumni with career services.

Placement Rate: Bilingual and multicultural skills exhibited by graduates provide employment opportunities following graduation from the University. Similarly, the academic performance of the University graduates and the increasing demand for qualified students from among the ethnic minorities facilitate the entry of the University graduates into graduate programs at other universities and seminaries. The graduating class of 2019 had a placement rate of 39% in the workforce, including church-related vocations and other areas of employment related to their majors. In addition, 36% of the 2019 graduating class started graduate school.

Christian Service Program: Students are to be active in local churches and engaged in ministry service. For service and employment opportunities contact the Coordinator of Ministry Engagement Projects/Activities. The Director of Christian Service Program is available for consultation, and to assist students in developing their résumés.

Summer Missions: Many full-time students participate in summer mission opportunities provided by churches, state conventions, associations, and other organizations. Students apply their training and earn money, often forming long-term relationships with their employers.

Birkman Inventory: The Office of Academic Affairs administers the Birkman Inventory to assist students in determining areas of ministry in which they are more apt to be successful. A Birkman-certified counselor is available to evaluate the results. Students are encouraged to participate in ministry internships to explore varied opportunities for ministry.
Academic Counseling and Testing

The Student Services/Enrollment Management staff assists students in realizing their educational and vocational objectives. Staff members assist with the admission process and the provision of academic information for use in course selection and related issues. Currently the University administers the Next-Generation ACCUPLACER, a college readiness assessment exam, an English Proficiency Exam for placement in the ESL program, and the Birkman Inventory, a preference inventory used to assist students in their career and ministry decisions. TOEFL (Test of English as a Foreign Language), and GRE (Graduate Record Examination) study guides and software are available to assist students in test preparation.

Pastoral Counseling Services: The University considers the students’ spiritual development a major priority in student life. The Interim Director of Enrollment Services is available to students for spiritual needs. A designated prayer room is located on campus for students wishing to take time out for meditation and prayer. Students who need additional personal, family, and/or vocational counseling may be referred to a Christian counselor.

Special Populations: The University is committed to making its educational programs accessible to all qualified applicants, in accordance with the Americans with Disabilities Act of 1990 (ADA). Contact the Vice President for Student Services/Enrollment Management to determine if you qualify for services available to students who are limited in English proficiency, enrolled in a non-traditional program, economically or academically disadvantaged, or who have a learning, mental, or physical disability.

Disclosure of Disability: In accordance with the Americans with Disabilities Act of 1990 (ADA), the University is committed to making reasonable accommodations for any student who provides adequate documentation of a disability and requests in writing specific services. A student with a disability needs not disclose the disability to a University official if the student is not requesting any accommodation.

Student Identification Card

Identification cards are issued to students at registration. Student cards are used for checking materials out of the Learning Resource Center, access to computer labs, check in for chapel attendance and campus check-cashing privileges; they should be carried at all times. Cards become void upon withdrawal or graduation, and should be returned to the Vice President for Student Services/Enrollment Management.

Student Organizations

The University encourages students having common interests to organize and seek official recognition as a student organization. Requests should be submitted to the Dean of Student Services and should indicate (a) the name of a staff member willing to serve as advisor to the organization, (b) that the organization is willing to conduct its activities in accordance with University policy, and (c) a list of authorized or eligible officers or representatives. Approval by the Dean of Student Services will allow the organization to be officially recognized.

Approval by the Dean of Student Services is required for all meetings conducted by student organizations that are not officially recognized, whether religious, secular, or instructional,
and for all programs, presentations, and plans for outside speakers.

**Student Government:** A slate of officers for Student Government representing the student body is elected annually. Each student government officer serves for one year and is subject to reelection for a second term. Student Government assists the Dean of Student Services in planning activities to enrich the lives of students and their families.

**Praise Teams:** Praise teams serve by leading congregational singing during chapel services. Praise teams also engage in ministry at local churches and in community outreach efforts.

**Soccer Team:** The University promotes soccer as a club sport and encourages the soccer team to participate in local tournaments during the year. The primary purpose of the team is to witness the life-changing power of Jesus Christ.

**Special Interest Groups:** Currently special interest groups have been organized and are available to University students: *The Jimenez-De La Cruz Mission Society*. Other groups, The Called Club, the BAM Business as Mission, the Creative Arts Club, meet regularly at the University and promote activities directly related to their mission and purpose.

**Spiritual Formation**

Students will find numerous activities and programs to help them grow in their spiritual journey. Students enjoy a campus environment where fellow Christians study, dine together, participate in intramural sports, share in classroom instruction and dialogue, and engage in daily fellowship with other students, faculty, and staff. Students have opportunity to participate in evangelism efforts, the Rollins Lecture Series, worship services celebrated during the chapel hour, and to serve in missions’ projects in the San Antonio area and leadership roles in local churches.

**Library/Learning Resources Center (LRC)**

The Pace LRC contains a collection over 22,000 items and provides various services to support the entire learning community. The facility houses a computer center where students can access the internet, *Microsoft Office* and EBSCO databases (including: *ATLAS, Academic Search Elite, and Business Source Elite*). Access services include: a public access catalog; in-house and virtual reference service; interlibrary loan service; and tailored bibliographic instruction on an individual or group basis. In addition, single and group study areas, open book shelving units, and informative displays create a welcoming study environment. Outside of chapel service, normal hours of operation are Monday through Friday 8:00 a.m. to 7:00 p.m.

**University Tutoring Center (UTC)**

The University Tutoring Center (UTC) provides writing assistance to BUA students, faculty, staff. The UTC team consists of peer and faculty tutors who assist writers in all stages of the writing process, from understanding writing assignments to revising final drafts. The UTC offers a safe space for writers from all disciplines to improve their writing projects and develop
their abilities to become more effective writers. Hours of operation vary per semester, visit our website at www.bua.edu for more information.

Textbooks

The list of textbooks is published every semester on the BUA Website. Students are encouraged to order textbooks through online services that offer discounted prices.

Acentos Cafe

Acentos is a student-led business focused on using coffee and food to reach out to our students, community, and beyond. The Acentos Café is located in the Student Union that provides snacks for students, faculty, staff and guests. Hours of operation are: Monday, Tuesday, and Thursday from 8:00 a.m. – 8:00 p.m. (closed during Chapel on Tuesday and Thursday from 11:00 – 12:00 noon), Wednesday from 8:00 a.m. – 6:00 p.m. and Friday from 8:00 a.m. – 1:00 p.m. Acentos on the Cart Monday- Thursday 3:00 – 4:00 p.m.

Health Services

The University does not provide medical insurance but encourages students to have medical insurance. Students without medical insurance are provided with information for medical clinics that they may visit on a low-cost basis and are provided with an Opt Out form as a release to the University that indicates that the University is not responsible for their medical costs.

Student Union

The Student Union is the focal point for students to enjoy time together in a relaxed atmosphere. The Union is open Monday through Friday from 8:00 a.m. to 10:15 p.m., Saturday from 9:00 a.m. to 10:15 p.m. and on Sunday from 1:00 to 10:15 p.m. Students can also enjoy the open area in the 2nd floor of the Baugh Building for conversation, study, and other activities.

Campus Safety Information

Campus Safety and Law Enforcement: The University strives to provide a safe learning environment. The University does not operate its own campus police department. The University works closely with local police. The University’s security force does not have arrest powers, but alerts the local police and University personnel of activity that may require attention. Cooperation with campus security is expected at all times. Security awareness and crime prevention are encouraged in orientation programs and residence hall meetings.

Reporting Crimes and Emergencies: Criminal acts and emergencies are reported to the Director for Administration and Finance and to the Vice President for Student Services/Enrollment Management, Campus Security, and, as necessary, to 9-1-1 for emergency response. Staff and administrators will take appropriate action.

Access to Facilities: All students and employees have access to academic, recreational,
and administrative facilities on campus. Access to residence halls is limited to resident students and their guests. Access by University employees is on an “as needed” basis. Safety-related concerns should be reported to the Vice President for Student Services/Enrollment Management or to the Business Office.

**Gated Campuses:** Students enjoy a sense of security with controlled access within its campuses. On the main campus, students enjoy, adequate parking, and easy access to administrative and instructor offices, chapel, library, and classrooms. At Piper Village, the student housing complex, students have access to a Community Club House for parties and meetings. The use of the Club House for special events must be scheduled in the Business Office.

**Curfew:** The University does not have a formally established curfew for students. For safety reasons, the doors on the main campus will be locked at 10:30 p.m. on a daily basis. For students living at Piper Village, on the Baugh Family Campus, the University requires that they obey visiting hours and establishes a noise curfew. The noise level of all stereo equipment, musical instruments, and TVs must be restricted by 11:00 p.m. daily. Restricted noise levels mean individualized use for stereo equipment and musical instruments, and TV usage that would not disturb sleep or studying activities in the apartments. Lights may remain on if quiet is maintained. Non-compliance is subject to disciplinary action.

**Alumni Association**

The Alumni Association of Baptist University of the Americas meets for fellowship and shared experiences at Founders Day in the fall semester and various Alumni & Friends Receptions throughout Texas and the United States, and in conjunction with the Hispanic Baptist Convention of Texas. Coordinator of Ministry Engagement Projects/Activities assists in coordinating Alumni Association activities.
STUDENT RECORDS

Privacy, Access, and Disclosure

Privacy of Student Records

The Family Educational Rights and Privacy Act (FERPA), protects students’ right to the privacy of their personal records. Faculty and staff may have access to student records as part of their normal responsibilities. The unauthorized sharing of student information is expressly forbidden. Allowing students access to such information via University computers puts the faculty or staff member and the institution at risk. Employees are cautioned not to allow such access to occur and to protect their personal computer passwords from possible disclosure to others.

Unauthorized disclosure of grades and other student information also puts the individual and the institution at risk of litigation or administrative sanctions. Therefore, conscientious concern for computer security is mandatory, and activities such as the posting of grades by faculty are expressly forbidden. Documents which contain social security number or grade information should be maintained in confidential files or shredded. It is not sufficient simply to put such information in the trash. Failure to take reasonable precautions to protect student privacy rights may result in disciplinary action and possible termination.

Student Rights to Academic Records

FERPA also gives students certain rights with respect to their education records, including the following:

1. The right to inspect and review the student’s education records within 45 days of the day the University receives a request for access. Students should submit to the registrar, dean, head of the academic department, or other appropriate official, written requests that identify the records they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

It is University policy to allow students to inspect and review their education records, except for records that contain any of the following:

- Information on more than one student;
- Financial information on his/her parents; or
- Confidential letters and statements of recommendation if the student has waived the right to inspect the letters and the letters are related to the student's admission to the University, application for employment, or receipt of honorary recognition.

2. The right to request the amendment of the student’s educational records that the student believes are inaccurate or misleading. Students may ask the University to amend
a record that they believe is inaccurate or misleading. Students should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his/her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA.

Disclosure of Student Records without Prior Consent

Under certain, specific circumstances FERPA allows the disclosure of student records without the student’s prior written consent. One exception permits disclosure of records to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or a company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his/her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his/her professional responsibility. Upon request, the University discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

Under no circumstances shall a faculty member or other employee of the University disclose a student’s education record which is in his/her possession or control to any person other than the student to whom the record pertains, except as provided above. All requests to inspect and review records not within the employee’s possession or control, and all requests by third parties (including law enforcement agencies, courts, or the student’s parents) to inspect and review records shall be referred to the Office of the Registrar.
ACADEMIC POLICY

Student Classification

Freshmen: Students who have completed fewer than 30 semester hours of award credit.

Sophomores: Students who have completed at least 30, but less than 60 semester hours, of award credit.

Juniors: Students who have completed at least 60, but less than 90 semester hours, of award credit.

Seniors: Students who have completed at least 90 semester hours of award credit.

Pre-collegiate: Students enrolled only in developmental studies.

Transfer students with an earned undergraduate degree from an accredited institution will be classified as Juniors at Baptist University of the Américas.

Grades and Reports

Grades are reported and made a part of the official record (filed in the Office of the Registrar) at the end of each semester. Grade reports are mailed to students within ten days of semester-end.

Grading System: The standing of a student in each course is expressed by the following grades that are assigned for coursework, examinations, and classroom performance according to criteria set by the instructor, as interpreted below:

A—Excellent  
B—Good  
C—Average  
D—Poor  
F—Failure  
I—Incomplete  
W—Withdrawal

Grade Points: Letter grades are assigned numerical values, or grade points, per semester hour:

A = 4 grade points  
B = 3 grade points  
C = 2 grade points  
D = 1 grade point  
F = 0 grade points

Incomplete Grades: An Incomplete (a grade of “I”) signifies incomplete coursework, usually only one assignment. To receive an Incomplete, a student must be in good standing in the course through the Withdrawal Date and petition the instructor in writing. If the instructor agrees that an incomplete grade is reasonable, the instructor will provide the student with a written list of requirements necessary to complete the course and attach a copy of the list to the final grade roll. The student is responsible for completing the work of the courses taken
during the fall and spring semesters by the Withdraw date of the following semester. If the student does not complete the course, the grade will revert to an “F.”

Courses with a grade of “W” or “I” are not assigned grade point values and are not considered in computing the grade point average (GPA). For financial aid decision purposes, the overall GPA of students who have grades of Incomplete in a specific semester must be based only on the courses for which the final grades have been reported.

The GPA is determined by dividing the total grade points earned by the total number of hours attempted. To illustrate, a student who has attempted 30 semester hours, earning 60 grade points has a GPA of 2.0. However, if a student successfully repeats a course on which he/she had attained an F, the hours for the failed course are not counted for computation of the student's overall GPA. The higher grade earned is included in the computation of the GPA if a course is repeated.
**ACADEMIC EXPECTATIONS**

**Grade Requirements for Good Standing**

All students, whether enrolled on a full- or part-time basis, must maintain a minimum cumulative grade point average (GPA) of 2.0 to remain in good standing. Similarly, a 2.0 cumulative GPA is required for graduation.

**Scholastic probation.** Student grades are reviewed each semester to determine good standing. Students will be placed on scholastic probation at the end of the semester in which a minimum cumulative GPA of 2.0 is not maintained. Scholastic probation will be removed by earning the minimum standard during the next regular semester, or during the summer sessions. A probationary student who withdraws and subsequently re-enrolls will be admitted on scholastic probation, and is subject to the original standard for removal of scholastic probation.

**Scholastic suspension.** A probationary student failing to meet the minimum standard necessary to remove probation will be placed on scholastic suspension, and is ineligible to enroll for the next long semester. Students placed on scholastic suspension will be eligible for readmission after one regular semester (fall or spring).

Students are expected to know if they have maintained the minimum standard and are eligible to continue school. An ineligible student who registers for school will be subject to dismissal.

Students placed on academic suspension have the right to appeal to the Dean of Academic Affairs. The appeal must be submitted in writing no later than 21 days after the student is notified of his/her academic suspension.

**Course Cancellation**

The University reserves the right to cancel any scheduled course without sufficient enrollment to justify, economically or educationally, teaching the course. Students will be notified of a course cancellation at the first scheduled class.

**Registration and Academic Load**

University officials reserve the right to limit the number of semester hours a student may carry. A “normal” academic load for a student attending full-time is considered 15 credit hours per regular semester, or 30 credit hours per academic year (fall and spring). A “full-time” student is defined as one enrolled in 12 or more credit hours in a semester. A student wishing to take more than 18 hours per semester must receive prior approval from the Dean of Academic Affairs.
Withdrawal from Class (“Drops”)

A student whose circumstances necessitate a reduced academic load should confer with an academic advisor for assistance in adjusting the course load. A grade of "W" will be given to students who officially withdraw from ("drop") courses by the end of the 8th week of a regular term or proportionate period of a flex-entry course or summer session (Withdrawal Date). Drops made after the Withdrawal Date must be approved by the Dean of Academic Affairs. The student is responsible for initiating and completing in a timely manner the withdrawal process. Withdrawal forms are available at the Office of the Registrar.

Withdrawal from the University

A student withdrawing completely from the University by the Withdrawal Date will receive a grade of "W" for each course in which the student is enrolled. If withdrawal occurs after the Withdrawal Date, a final grade will be recorded for each course in which the student is enrolled at the discretion of the Dean of Academic Affairs, with the advice of the instructor.

Academic Honors

At the end of each regular semester, the University recognizes part-time and full-time students who demonstrate superior academic achievement by naming them to the President and Dean Lists. To qualify for these honors students must attain a 4.0 GPA for the President’s List and a 3.50 – 3.99 GPA for the Dean’s List.

Attendance

Regular and punctual attendance is expected of all students. Absences are counted from the first day of class. If absence is necessary, students should not be absent more than three times for a three-hour class meeting twice a week, twice for a three-hour class meeting once a week and twice for a one-hour class meeting once a week. Absences include doctor visits, conferences, and all other “excused” absences. A student with excessive absences may be withdrawn from class by the Registrar with a grade of “F.” Three occurrences of tardiness is equivalent to one absence.

Many students commute and may travel considerable distance to attend classes. In case of inclement weather, students should use their judgment concerning road conditions. Students are responsible for consulting their instructors about make-up work when an absence occurs.

Official Transcripts

Official transcripts may be requested from the Registrar. A signed, written request is required for transcripts to be mailed. All financial obligations to the University must be paid in full before a transcript will be issued. A fee will be charged for each transcript.

Transferability of Credits to Other Universities

Baptist University of the Américas makes no representations regarding the transferability of credits to any particular university. Students seeking to transfer BUA courses elsewhere should consult the receiving institution to determine whether and how credits are accepted.
BUA’s acceptance of incoming transfer credits from a particular school is no indication of whether that other institution will reciprocate and accept BUA transfer credits.

Baptist University of the Americas has established articulation agreements with other universities for the purposes of educational collaboration and potential transfer of academic credit. These agreements have provided opportunities for BUA students to continue their undergraduate education and/or enter into graduate programs at other universities. Admission of BUA students to the universities with which BUA has articulation agreements are contingent to the requirements for admission established by those universities. Students may refer to the Office of Academic Affairs for a list of college and universities with which BUA has articulation agreements.

**Graduation Requirements and Process**

Students graduating from the University must meet the following requirements:

- Manifest the highest morals, values, and Christian testimony to enhance the work of the Kingdom and encourage others to come to Christ;
- Complete the prescribed course of study and maintain a passing grade average (as certified by Dean of Academic Affairs);
- Meet all financial obligations (as certified by the Director of Finance and Administration);
- Fulfill the chapel services attendance requirements (as certified by the Dean of Academic Affairs);
- Comply with required ministry service (as certified by Director of Christian Service Program); and
- Receive authorization of the Board of Trustees for the conferral of diplomas.

**Application for Graduation**

Diplomas are not awarded automatically. A candidate for an award must submit an application for graduation. Applications may be obtained from the Office of the Registrar. Completed applications should be returned to that Office by November 29th for May graduation. The application and administrative certifications will be presented to the Board of Trustees for authorization.

**Christian Service Program**

The mission of BUA includes this very important statement “…formation of cross-cultural Christian leaders.” We are committed to living a Christ-centered lifestyle. A foundational characteristic of a Christian is one of service. Ministry training is maximized when the student is active in a local congregation where the knowledge, skills, values, and principles learned in the classroom can be put to practice. The purpose of the Christian Service Program is to enable students to integrate classroom learning with personal life and practical ministry experience.
**Graduation Requirement:** Student pursuing a degree must enroll in the CSP for (6) six semesters. Students pursuing an AA degree and transfer students with 60 credit hours, must are required to take (4) four semester of the CSP.

**Semester Requirement:** Student pursuing a degree must participate by committing to serve for a minimum of 10 hours over the course of each semester, (normally one hour per week). The following objective support stated purpose for student:

1. **Christian Character:** The student is to adopt a lifestyle of service in the name of Jesus Christ by meeting the needs of people and/or the community.

2. **Cross-Cultural Competence:** The student is to learn to serve everyone regardless of diversity.

3. **Content Knowledge and Skills:** The student is to apply knowledge, skills, values, and principles learned in the classroom, while servicing others.

The Office of Academic Affairs will verify all completed CSP forms: therefore, it is necessary for the student to complete and submit the electronic form with the contact information of the ministry or the contact supervisor. The CSP coordinator will remind students before the end of the semester.

**Chapel Attendance**

To graduate, students must present a certificate of chapel attendance attesting to at least 85% attendance each semester. Students are required to register for (4) four semesters of chapel during their course of studies at Baptist University of the Américas. The Dean of Academic Affairs maintains chapel attendance records and provides a record of individual chapel attendance at the end of each semester. Students can only miss (4) four chapel days per semester to be counted.

**Catalog Restrictions**

A student pursuing a course of study may choose to graduate in compliance with the requirements of the Catalog in effect at the time of entrance to the University or those of any subsequent edition, provided that degree requirements are completed within five years from the ending date of the effective period of the selected Catalog. Each Catalog is effective from August 1st of the year of publication through July 31st of the next calendar year.

A student may elect to graduate under the degree requirements of the official catalog of any year in which the student is enrolled for classes and receives credit, provided that the period between such dates does not exceed six years. The six-year period begins at the final semester covered by the chosen catalog. The University reserves the right to change the requirements for graduation at the beginning of any semester.
Retention and Graduation Rates

The retention rate (percent of first-time freshmen returning as sophomore the following fall semester) for the 2019 entering class was 40%. The six-year graduation rate for the 2014 freshman class (first-time, full-time freshmen enrolled in Fall 2014) was 32%.
PROGRAMS OF STUDY

Baptist University of the Américas is accredited by the Commission on Accreditation of the Association for Biblical Higher Education (ABHE) to award the following degrees:

Associate of Arts in Cross-Cultural Studies
Bachelor of Arts in Biblical/Theological Studies
Bachelor of Arts in Business Leadership
Bachelor of Arts in Human Behavior
Bachelor of Arts in Music

Concentration Areas and Interdisciplinary Options

Students enrolled in any of the Bachelor of Arts programs can pursue a degree plan that involves either a specific area within a program or interdisciplinary options. Programs such as Biblical/Theological Studies, Human Behavior, and Music offer concentration areas in their degree plans designed to provide a deeper learning experience in specific areas. These concentration areas are related either to the academic discipline for a degree or to a ministry or professional area in that discipline. The University also offers interdisciplinary options in the form of minors, double majors, and dual degrees.

Minors: A student enrolled in any of the baccalaureate programs may decide to have a minor in another discipline. The minor consists in taking 21 hours in the desired discipline in addition to the curricular requirements for the primary degree. Minors in a program must be approved by the chairperson of that program.

Double Major: Any student enrolled in a baccalaureate program (other than Biblical/Theological Studies) qualifies for a double major, having Biblical/Theological Studies as the secondary major in his/her degree plan. Upon completion of all academic requirements, the double major student will receive ONE degree in the area of his/her choice, but will have a primary and a secondary major recorded in his/her transcript.

Dual Degrees: Students enrolled in a baccalaureate program may pursue a dual degree option. A student pursuing this option must complete all academic requirements needed for his/her primary degree (Business Leadership, Human Behavior, Biblical/Theological Studies or Music). Students pursuing this option will receive TWO degrees upon graduation. In order to enroll in the dual degree option, the student must be approved by his/her advisor and submit a formal request for a dual degree to the Registrar. If a student wants a dual degree option, he/she must fulfill all academic requirements of both degrees.

Instructional Principles

Four principles embody the philosophical perspective behind the University's academic program, and guide the faculty as they develop coursework and learning experiences:

**Head**—Students will receive the best education and professional development that resources can provide. Students will have a basic knowledge of the Bible and Christian theology that will serve as a foundation for any specific area of work they choose according to the academic major they select.

**Heart**—Students will develop affective attributes desirable for those who want to serve Christ independent of their work setting. These attributes include a biblical worldview and philosophy of living, a compassionate and caring personality, and a value system consistent with Christian living in the twenty-first century.

**Hand**—Students will be able to apply their learning in the practical areas of their academic majors. Students will be able to apply their knowledge and skills in practical ways that affect what they do professionally.

**Habitat**—Students will develop life-long applications of their knowledge, mediated through a Christian value system, based on a sound biblical and theological reflection, and applied as ministry in the workplace. Learning will become a self-perpetuating cycle fed from continuous reflection and application to new situations through a series of living exchange relationships.
BUA Expected Student Learning Outcomes

Baptist University of the Américas proposes five general learning outcomes for the entire undergraduate program. These outcomes reflect the mission and values of the University and guide the curriculum for both the Associate of Arts and the Bachelor of Arts degrees.

At the end of their respective undergraduate programs, BUA students are expected to demonstrate:

1. **Christian Character**
   a. Adhere to Biblical ethics and values
   b. Practice servant leadership skills
   c. Demonstrate spiritual maturity
   d. Exhibit behavior that demonstrates Christian principles and practices

2. **Cross-Cultural Competence**

ASSOCIATE OF ARTS IN CROSS-CULTURAL STUDIES

The Associate of Arts degree in Cross-Cultural Studies offers every student an opportunity to engage in and navigate changing global environments. At Baptist University of the Américas it is our mission to develop cross-cultural Christian leaders from the Hispanic perspective. We believe Hispanics have a unique transcultural history and culture that serves as a good starting point toward cross-cultural competency. The purpose of the program is to equip our students to relate authentically with those of other cultures while respecting each person’s distinctive identity.

The Associate of Arts in Cross-Cultural Studies provides the benefits of a biblical higher education for those students who feel a call to vocational ministry but may wish to pursue a bi-professional career in a field other than the ones offered at Baptist University of the Américas. These students may transfer some of these credits to another college or university to pursue a degree in a field other than religion. Credits from the Associate of Arts in Cross-Cultural Studies are applicable to the Bachelor of Arts degrees at BUA.

The Associate of Arts may also be used as a terminal degree for lay leaders and support leaders in the church who wish to receive this education to better serve the Lord in their local congregation or at a Christian organization.

The minimum number of semester credit hours required for the Associate of Arts in Cross-Cultural studies, including the Core Curriculum requirements, is 63 hours for the Language track and 62 hours for the Non-Language track.

Program Student Learning Outcomes:

In addition to the student learning outcomes shared by all undergraduate degrees, students that complete the Associate of Arts in Cross-Cultural Studies are expected to:

1. Demonstrate an intermediate knowledge of the Old or New Testament content;
2. Evidence utilization of academic research methodologies;
3. Adhere to academic ethics and values;
4. Collaborate in academic teamwork within the learning community;
5. Demonstrate basic knowledge of cross-cultural principles and issues; and
6. Apply skills and knowledge in multicultural and multilingual environments.

BACHELOR OF ARTS IN BIBLICAL/THEOLOGICAL STUDIES

The Bachelor of Arts in Biblical/Theological Studies program provides training for ministry leadership. Through biblical, theological, cross-cultural, and general education studies, students are equipped for a wide variety of church, missions-related, and community-based leadership positions. Each student majoring in Biblical/Theological Studies may select a concentration from one of the following areas: Music Ministries, Practical Theology, Youth Ministry or Social Work. In addition, a student may select as a concentration area courses from the other major areas of study, Business Leadership, Human Behavior, and Music. Courses from these areas must be approved by the area faculty prior to being accepted as a concentration area in the B.A. in Biblical/Theological Studies. A student may choose not to select a concentration area, but instead to take elective courses to meet the requirements for graduation.

Students enrolled in the Bachelor of Arts in Biblical/Theological Studies program have used this course of study as a basis for graduate study at theological seminaries and schools of theology accredited by the Association of Theological Schools.

The minimum number of semester credit hours required for the Bachelor of Arts in Biblical/Theological Studies, including the Core Curriculum requirements, is 122 hours with the Language Track and 120 hours with the Non-Language Track. Forty-eight of the total semester credit hours required for the degree must be at the upper-division level. If a student takes an average of 15 hours per fall/spring semester and passes the courses with at least a 2.0 GPA, he/she can graduate in four years (for Non-Language Track, two (2) more hours).

Program Student Learning Outcomes:
1. Demonstrate biblical and theological knowledge, reasoning and reflection in analyzing historical, social and ecclesiastical issues;
2. Practice functional ministry skills;
3. Adhere to biblical ethics and values; and
4. Exhibit leadership skills for use in life and ministry.

The Core Curriculum Requirements: Students seeking the Bachelor of Arts in Biblical and Theological Studies must fulfill the University Core Curriculum. There are 38 semester credit hours for Language requirement and 36 for Non-Language requirement:

A. 38 semester credit hours in the Core Curriculum for the Language track and 36 hours for the Non-Language track.

**BACHELOR OF ARTS IN BUSINESS LEADERSHIP**

The Bachelor of Arts in Business Leadership consists of general business courses in the areas of organizational and international leadership development designed within a Christian ministry framework. The entire curriculum has a strong multicultural dimension, albeit from a Hispanic perspective. The program seeks interaction with the other curricular offerings in Biblical and Theological Studies with the purpose of providing a spiritual foundation for all aspects of leadership independent of the setting in which it is exercised. Students majoring in Business Leadership may also select a concentration area from the other academic majors offered by the University, though doing so will require extra hours beyond 122 hours for the Language track and 120 hours for the Non-Language track or otherwise required for the major.

The minimum number of semester credit hours required for the Bachelor of Arts in Business Leadership, including the Core Curriculum requirements, is 122 hours for the Language track and 120 hours for the Non-Language track. Forty-eight of the total semester credit hours required for the degree must be at the upper-division level.

**Program Student Learning Outcomes:**
1. Demonstrate knowledge in business and leadership best practices;
2. Exhibit interpersonal and cross-cultural skills in business and leadership practices;
3. Evidence biblical ethical values for practice in the profession; and
4. Exhibit servant leadership skills in life and profession.

**Core Curriculum Requirements:** Students seeking the Bachelor of Arts in Business Leadership must fulfill the University Core Curriculum requirements. There are 38 semester credit hours for language requirement and 36 for non-language requirement. Business Leadership students must take MATH 1324 and ECON 2325 or ECON 2326 as part of this core.

**B. 38 semester credit hours in the Core Curriculum for the Language track and 36 hours for the Non-Language track.**

**BACHELOR OF ARTS IN HUMAN BEHAVIOR**

The Bachelor of Arts in Human Behavior is designed as a generalist degree for the formation of Christian leadership, within the Hispanic context, for the helping professions in the church and the community at large. The offering of human behavior as a Bachelor of Arts degree would help students develop basic knowledge and skills for the helping professions with a holistic Christian humanistic foundation. The curriculum for the B.A. in Human Behavior entails an academic foundation in the psychological and social sciences that would prepare students for careers in the helping professions such as chaplaincy, counseling, and social work. This psychological and social science foundation is supplemented by concentrations in the areas of psychology, sociology, social work, gerontology, and pastoral care designed within a Christian ministry framework.

The minimum number of semester credit hours required for the Bachelor of Arts in Human Behavior, including the Core Curriculum requirements, is 122 hours for the Language track and 120 hours for the Non-Language track.

**Program Student Learning Outcomes:** Students who enroll in the Bachelor of Arts in Human Behavior (BAHB) at Baptist University of the Américas are expected to develop competencies that are intrinsically related to the overall mission of the University. At the end of the BAHB program, students will be able to:

1. Demonstrate a general education background that would facilitate understanding of the world, the development of critical thinking and communication skills, and would prepare the student for self-directed learning in the community.
2. Understand the historical, scientific, and practical foundations of the psychological and social sciences.
3. Demonstrate cross-cultural competence that would allow them to understand and relate to people of different cultural and ethnic backgrounds.
4. Apply a Christian worldview to leadership positions, situations, and challenges in the workplace.
5. Demonstrate the Christian character and work ethics necessary to serving individuals, family, and communities as ministers at local churches or in community settings.

BACHELOR OF ARTS IN MUSIC

The purpose of the Bachelor of Arts in Music is to provide a well-rounded music education for the development of effective leadership in the local church and in broader community settings. The program uses a student-centered approach to offer a Christian liberal arts education and cross-cultural competence to all learners albeit in a Hispanic context.

Students enrolled in the Bachelor of Arts degree in Music pursue studies in both academic subjects (history, theory) and performance (piano, voice). A key characteristic of the B.A. in Music is the student-centered approach that focuses on developing every student from the music proficiency level in which she/he may start in the program. The Bachelor of Arts in Music also provides students with the opportunity to develop their Christian leadership skills through the required biblical, theological and leadership development courses.

The minimum number of semester credit hours required for the Bachelor of Arts in Music, including the Core Curriculum requirements, is 126 Language track or 124 hours of Non-Language track. Forty-six of the total semester credit hours required for the degree must be in the major, combining music theory, music history, applied music (instrumental, voice, and ensemble), and electives that emphasize special areas of interest in music such as worship, composition, and cross-cultural issues.

Program Student Learning Outcomes:
1. Demonstrate knowledge of the fundamentals of music history and theory for the purpose of reading, performing, and producing music.
2. Demonstrate cross-cultural competence applied to the appreciation and development of musical expressions associated with different cultures, with a special emphasis on the Latino culture and heritage.
3. Demonstrate the Christian character and work ethics necessary to the application of musical knowledge and performance as a venue for the transformation of society.
4. Apply a Christian world-view to leadership positions, opportunities and challenges in the music world.

Core Curriculum Requirements: Students seeking the Bachelor of Arts in Music must fulfill the University Core Curriculum requirements. There are 38 semester credit hours for Language requirement and 36 for Non-Language requirement.

Introduction to financial management techniques. Topics may include time value of money, valuation of stocks and bonds, risk and return, capital budgeting analysis, financing alternatives, financial planning, ratio analysis, short-term financial decisions, working capital, sources and uses of funds, capital structure, dividend policy, lease analysis, options, international financial management, and other topics associated with successful business finance decisions in an internationally competitive environment. Prerequisites: ACCT 2301, BUSI 1301, BUSI 2301, BUSI 2311 and MATH 1324

MGMT 3301  Principles of Management (3-0-3)
A study of the complex role managers play in creating and maintaining organizations. Organization theory and behavior are explored within the context of changing technological, social, and political/legal environments and the internationalization of the economy. The course also offers introduction to strategic analysis, planning and decision making. Prerequisites: ACCT 2301, BUSI 1301, MATH 1324 and ECON 2325

MRKT 3301  Principles of Marketing (3-0-3)
Introduction to basic principles of marketing. An examination of market analysis methods and their use to develop the organization's product mix and the integration of the communication, distribution, and pricing strategies to achieve goals. Prerequisites: ACCT 2301, BUSI 2301, and BUSI 2311, MATH 1324 & ECON 2325
MGMT 4302 Human Resource Management (3-0-3)
Analysis of how organizations attract, motivate, develop, and retain employees, and how they interact with organizations representing employees. Designed to provide students with an opportunity to understand the functional areas of human resource management and the integration of these functions into an effective and efficient human resource management system. Prerequisites: ACCT 2301, BUSI 1301, BUSI 2301, BUSI 2311, LEAD 3301, MATH 1324, and MGMT 3301

Leadership Studies

LEAD 1300 Personal Dimensions of Leadership (3-0-3)
Examination of the major personal dynamics that affect the life of the leader, such as: spiritual, physical, and emotional health; balance between personal life and career; conflict resolution; money management; and healthy relationships with the other. Emphasis is given to the relationship between the leader and self, family, and the world.

LEAD 2301 Cross-Cultural Communication (3-0-3)
Exploration of skills necessary for effective communication in a wide variety of settings including business, community, education, and non-profit organizations, both public and private. Students examine cross-cultural communication skills such as writing, interviewing, listening, feedback, conflict transformation, and problem solving; and consider value orientations in order to communicate effectively cross-culturally. Prerequisites: ENGL 1301

LEAD 2305 Cross-Cultural Conflict Transformation (3-0-3) (Cross-listed as PCC 2300)
Study of conflict and biblically-based methods that may be employed to transform conflicting inner-personal and communal relationships into healthier relationships. Course discussion includes cross-cultural barriers in conflict mediation and non-western approaches to conflict transformation.

LEAD 2306 Survey of Cross-Cultural Global Issues (3-0-3)
This course is a survey of cross-cultural issues in a global setting. Students examine and compare leadership and cultural issues in developing and developed countries. They explore cross-cultural topics such as value orientations, globalization, and other global issues.

LEAD 3301 Survey of Leadership Models (3-0-3)
Survey of leadership theory, ethics, values, character development, diversity, and leadership behavior in each model with an emphasis on developing the requisite skills for effective servant leadership. Prerequisite: BUSI 1301, LEAD 1300, and LEAD 2301

LEAD 3302 Cross-Cultural Leadership Development (3-0-3)
This course will deal with the understanding of the development of a leader, the role of a leader as a team member, the role of leading an organization and issues of leadership navigating across cultures. Prerequisite: BUSI 1301 and LEAD 2301

LEAD 4301 Global Leadership and Cross-Cultural Issues (3-0-3)
Explores issues associated with the impact of leadership upon global communities. Students apply knowledge regarding global and social systems as they have related historically to
leadership. Identifying and differentiating between the several approaches to systems-thinking and change help draw implications for leadership within varied cultures and the relationship between, and problems associated with, global systems and technology. Prerequisites: BUSI 1301, LEAD 2301 and LEAD 3301

LEAD 4311 Leadership of the Non-Profit Organization (3-0-3)
Analysis of administrative structure, decision making, and program delivery for nonprofit organizations. Includes management of agency operations in areas of leadership, strategic planning, staffing, personnel selection and policies, volunteers, boards, and community relations. Prerequisites: ACCT 2301, BUSI 2301, BUSI 2311, LEAD 2301 and LEAD 3301 for business majors. For students in other majors, instructor’s approval is required.

LEAD 4312 Servant Leadership (3-0-3)

Students examine writings and models of servant-leaders, both historically and modern-day; explore current developments within the field of study; research avenues of exemplifying servant leadership in a cross-cultural environment; and participate in a service-oriented project. Prerequisites: LEAD 2301 and LEAD 3301

LEAD 4321 Ethical Decision Making for Leadership (3-0-3)
Examination of the ethical dilemmas of leadership and the moral implications of decision making in the context of a Christ-centered life. Ethical theories and principles of decision making are explored as well as theories related to leadership in public and private organizations. Students develop their own ethical perspectives that will inform their own decision making in the context of their chosen professions as they work to become good members of society, moral leaders in the home and the market place, and maturing Christian leaders.

LEAD 4390-4394 Special Topics in Leadership (3-0-3)
Covers special topics related to leadership and/or organization studies, subject to emerging student and/or employer demands. Topics vary. May be repeated for credit provided course content is different.

LEAD 4390 Special Topics: Nurturing Women Leaders from a Latina Perspective
This class will provide women with biblical, theoretical, and practical foundations to develop a style of leadership from a Hispanic perspective that is biblical based, cultural and gender sensitive, and holistic. To do this, the students will: a) evaluate biblical perspectives/pas-sages/models that have advanced or hindered the leadership of women in church and society; b) explore contemporary theories and issues in leadership studies, c) analyze their own style of leadership, and the resources that they need to nurture within themselves in order to be successful leaders.

LEAD 4395-4399 Independent Study: Cross-Cultural Leadership (3-0-3)
An independent study of selected topics in conference with instructor and approved by the faculty. May be repeated for credit with faculty approval. Prerequisite: Admission by petition or upon the invitation of a faculty member. GPA of 3.3 or higher and completion of at least 60 hours of coursework.
LEAD 4151-4183 Internship (1-0-1)
One semester Internship course is required for graduation of all students in the BA degree program. The goal of this requirement is for students to apply knowledge, skills, and attitudes learned in their programs of study through practical experiences in those programs. Systematic meetings involving interns with the faculty member and/or field supervisors provide a forum for discussion, feedback, and reflection upon the experiences. The length of the internship may vary, from a minimum of one semester (or 10 weeks for the summer term), up to three semesters, depending on employer’s stipulation or other inherent need of the position. Employer’s stipulation and inherent needs of the position include, but not limited to:

1. The length of the internship, as required by the employer, is longer than one semester.
2. The Internship offers the opportunity for the student to work in multiple departments within the organization
3. The internship offers the opportunity for the student to increase responsibilities, which provide maturity, and depth of experience within the organization.

THEO 4392 Special Topic: Christian Ethics in the Workplace (3-0-3) Cross listed as LEAD 4392
The purpose of this course is to explore the application of a Christian way of thinking about workplace values and ethics. The course will critically examine a plethora of workplace topics and issues, understanding the most important aspects of their contemporary lived reality. For each topic, in each arena, we will explore the values and ethical insights which should be discussed and analyzed, and brought to bear from a biblical Christian framework. The course is designed to focus on three primary application areas: first, how does the biblical Christian framework shape our own personal work, calling, profession, and career; second, what does this mean for church leadership, structures, practices, and ethical education efforts; third, what does this mean for organizations where we work and have influence. Prerequisite: LEAD 1300, LEAD 2301 and THEO 1300

Human Behavior

PCC 2300/LEAD 2305: Cross-Cultural Conflict Transformation (3-0-3)
Study of conflict and biblically-based methods that may be employed to transform conflicting inner-personal and communal relationships into healthier relationships. Course discussion
includes cross-cultural barriers in conflict mediation and non-western approaches to conflict transformation.

PCC 3300 Introduction to Pastoral Care (3-0-3)
The course engages students in the practical aspects of offering pastoral care in various ministerial, cultural and family contexts: Students practice listening, prayer, conflict mediation and pastoral theological reflection; students apply narrative theology, brief pastoral counseling, and Biblical themes to pastoral caregiving; and students learn skills of non-anxious care in crisis situations.

PCC 3301 Pastoral Care in the Church (3-0-3)
This course is an introduction to Pastoral Care with an emphasis on clinical learning. Students will begin surveying the history of the pastoral care movement and comparing the past with the present as well as viewing the projected future. Interchangeably, the student will experience pastoral care via his/her clinical field assignment. The student’s clinical learning will be extracted by a series of developmental and cognitive methodologies to include: confidential verbatim reports, case studies, theological integration papers, genealogy surveys, short stories of personal experiences and events, reading reports, as well as an evaluating process of the student’s progress via supervision/mentorship sessions with professor, field supervisor, and peer supervision. In combination of the student’s clinical work/evaluation and a thorough reading of the assigned textbooks the student will be given the chance to bring an assessment of self and his/her ministry in regards to the dynamics and approaches that the discipline of pastoral care provides.

PCC 4390 Special Topics in Pastoral Care (3-0-3)
This course offers an in-depth exploration of themes and practices in pastoral care. The course is designed to facilitate a reflection upon the challenges ministers face in different pastoral care settings.

PCC 4900 Clinical Pastoral Education I & II
Before taking PCC 4900 it is preferred that students take PCC-I 3300 and PCC-II 3301 as your prerequisite. Clinical Pastoral Education will be taken at a (non-church site) CPE Center accredited through either the Association for Clinical Pastoral Education (ACPE) or through the College of Pastoral Supervision and Psychotherapy, Inc. (CPSP). Each CPE course is worth nine credit academic hours and worth one unit (400 hours) of CPE. Students may choose a center from a broad range of institutional settings. However, each CPE unit is subject to acceptance by the CPE center via interview by a CPE supervisor and CPE faculty chaplains. The following CPE Centers are located within healthcare, military, counseling centers, and other institutional settings in the San Antonio area and the Southwest Texas Region: CHRISTUS Santa Rosa Hospital System, San Antonio, TX Phone: (210) 704-2011; Brooke Army Medical Center CPE Center, MCHE PC Bldg. 3600/DMPC-CPE, 3851 Roger Brooke Dr., San Antonio, TX Phone: (210) 916-1105; Ecumenical Center for Religion and Health 8310 Ewing Halsell Dr., San Antonio, TX Phone: (210) 616-0885; Methodist Healthcare System Pastoral Care Services, 7711 Louis Pasteur, Suite 101, San Antonio, TX Phone: (210) 575-6834; South Texas Veterans HealthCare System Audie L.
