CAMPUS SAFETY AND SECURITY REPORT 2025

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistic Act

The Clery Act was enacted to ensure that Colleges and Universities make available to students, parents, and employees' statistical information as to the safety of the campus.

Baptist University of the Americas is committed to provide a safe and secure environment for is students, employees, and visitors. The University strives to provide a safe learning environment. The University does not operate its own campus police department. The Vice President for Student Services and other administrators work to ensure the safety and security of students. The University works closely with local law enforcement agencies regarding any reported crimes at the college.

The University's campus watch does not have arrest powers but alerts the local police and University personnel of any activity that may require their attention. Cooperation with campus watch is expected at all times. Security awareness and crime prevention are encouraged in orientation programs and residence hall meetings.

Baptist University of the Américas was founded and operates upon Christian principles, and the Bible, as the principal textbook of the campus, sets forth values that we believe are higher than any other authority. These principles are encouraged and followed as a way of life.

Reporting of Crime and Criminal Activities

Criminal actions and emergencies are reportedtothe Dean of Student Services. Administrators will take appropriate action, which may includecalling law enforcement. A written report of all incidents is maintained in the office of the Deanof Student Services. Students and employees are to report promptly any criminal activity oremergencies to Campus Watch, at (210) 868- 5590, or the San Antonio Police Department,at911.

Security and Access to Campus Facilities

All students and employees have access to academic, recreational, and administrative facilities on campus. Access to residence apartments is limited to resident students and their guests. Access by University employees is on an "as needed" basis. Defective equipment or other situations affecting security and safety are given high priority and are responded to immediately. Safety related concerns should be reported to the Dean of Student Services.

Drugs, Alcohol and Tobacco

As per University policy, the use of intoxicating beverages, controlled substances or harmful drugs, and any type of tobacco item is prohibited, and students and faculty, and staff may be subject to immediate disciplinary action. The illegal use, possession, or sale of a drug or

narcotic, as those terms are defined in the Texas Controlled Substances Act, will be reported to the appropriate authorities for prosecution. Use of drugs, alcohol, or tobacco is unacceptable and will not be tolerated.

Timely Warning

To aid in crime prevention, the University will notify all students and employees through their mailbox delivery and chapel announcements of any incidents of violent crime.
